

April 2019

Dear Volunteers,

Friendship Club Wednesday **15th May 2019** from 10am - 12-30pm. High Newton Village Hall

'A solo overland trip across South America in a 2CV, to see a son with a spotted hanky' - presented by a very brave Cate Davies

Are you free to volunteer for this event please? I am 9 regular volunteers on holiday this month. Your help would really be appreciated. **We need cake makers, refreshment helpers, drivers and social mixers.** Sincerely hope some of you can make it.

The event promises to be fun and interesting. As well as Cate's fascinating talk, we are expecting Lindale Primary School children, reading their imaginary stories inspired through Tim's Atlantic adventure in March. I wonder what they have come up with? Not forgetting table games, cake and hopefully a song or two.

If you are available, please drop me a note with what you can manage.

Many thanks for your help in advance.

Cheers and love

Tricia
